FINAL REPORT - COTTON RESEARCH & DEVELOPMENT CORPORATION

PROJECT CODE: CS25L

PROJECT TITLE: Research Computing - Plotter Facility

SUPERVISOR: Mr K.D. Brook

FINAL REPORT: The objective of this project was to provide a plotter facility to produce computer generated graphs of research and SIRATAC data.

A Hewlett Packard HP-7550A pen plotter and accessories were purchased. The plotter has been used by many research officers at Myall Vale and proved essential for generating quality reports.
